# MEGA FORTRIS GROUP

# "SANITISED" Non Residue Security Label

- Highly Tamper Evident
- Easy to Apply
- **Size:** 110mm x 30mm + DNT
- Leaves No Residue On The Application Surface.
- Black surface text 6 digit sequential number.
- **Quantity:** 1000 Labels Per Roll
- **Standard:** Red

**Our security labels can be applied to a wide range of applications across many industries where safety, preventing cross-contamination and stopping the spread of Covid-19 has to be considered.**

## Features

**1** Our non- residue labels leave a clear 'void/ Open' message when any attempt of removal is made. The message will clearly illustrate any attempt of tampering whilst leaving no residue on the application surface.

**2** Advanced tamper evident solution with a high contrast matt finish giving an excellent VOID and a surface that can be written on in biro.

**3** Protects product integrity and prevents any tampering, unauthorised opening and potential fraud.

**4** Hotel doors and panels, liquor cabinets, toilet seats, catering trolleys, tote boxes, ballot boxes, computer ports, office doors, cupboards, fuel caps, cash boxes, warranty void seals, vehicle doors etc.
