

# INDICATIVE SEAL MINI FAST SEAL (MFS)

Pull-Tight Seal

## Small and sophisticated design for comprehensive security and authentication.

Mini Fast Seal is easy to use, compact and perfect for small-sized sealing requirements. It is designed with a slim structure to mainly suit its smaller locking latches application. This delicately designed seal is suitable for security and authentication purposes with saving space in mind.

#### **Applications:**

Retail Applications
 ◆ Fire Extinguishers
 ◆ Logistics
 ◆ Banking

PREVENTION · PROTECTION · PEACE OF MIND

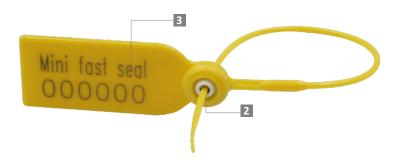

LASER MARKING OPTION

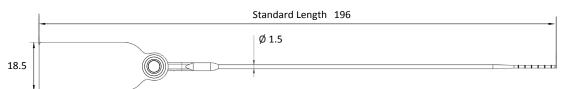

#### VIEW APPLICATION GIF

- 1 The Mini Fast Seal is moulded with Polypropylene (PP) or high-impact Nylon (NY) material with the metal lock ultrasonically encapsulated for greater security and clear evidence of tampering.
- 2 One-way locking mechanism is embedded for fast and easy application.
- Irreversible identifiers such as name, logo, barcode, serial number and QR code are laser-marked on the flap.
- Biodegradable additives material for the seal are available.
